

Supplying students with the tools they need to succeed

HOST A SUPPLY DRIVE

Nearly 200,000 students in Hillsborough and Pinellas public schools need your support. Help put basic school supplies into the hands of students who need them most.

Recognizing that thousands of families in our area struggle to afford critical school supplies, Hillsborough Education Foundation and Pinellas Education Foundation are partnering to support students on both sides of the Bay through the **Tampa Bay School Supply Drive**.

You can have a direct impact on students' academic success by hosting a supply drive at your business, organization or in your neighborhood to ensure students have the tools they need for the new school year.
